YOUR SPA APPOINTMENT

We kindly ask you to book your desired treatments in advance. Please arrive ten minutes prior to your appointment at the spa reception. Late arrivals will result that the booked treatment will end as originally appointed. t

DRESSCODE

The sauna is a nude-area. For hygienic reasons a towel must be used in the sauna.

SPA-ETIQUETTE

Everyone wants to relax in our SPA, therefore we kindly ask our guests to respect the privacy of others. Please mute your mobile phone in the SPA area.

CANCELLATION

Until 5 pm the day before the treatment, no cancellation fee will be applied. Later cancellations will be charged at a cancellation-fee of 50%.

HEALTH

Please inform our staff in advance about any health issues, allergies or injuries as these might affect your treatment.

KIDS & TEENIES

Kids and teenies are welcome at the pool and garden area. The sauna is accessible for kids above 14 years. We also offer special treatments for kids.

SAUNA AREA

BRINE SAUNA 45°C

The brine sauna has a positive effect on the respiratory system and works miracles. Those suffering from allergies, hay fever and bronchial illnesses will love our salt grotto.

STONE PINE SAUNA 90°C

Enjoy the beguiling scent of stone pine and benefit from the curative power on the cardiovascular and respiratory system. The heat of the stone pine sauna allows muscles to relax and stimulates blood circulation.

AROMA-STEAM SAUNA 40°C

In contrast to the hot sauna, the aroma steam sauna with a humidity of 100% and its moderate heat is perfect to relax.

INFRARED SAUNA 30-40°C

Regain your natural life energy as your body gets heated by infrared light. The infrared sauna stimulates blood circulation and body purification allows to release toxins. Other effects include restoring the energy balance and relieving muscle tensions especially after exercising.

SEAWEED PACK

The pack has a tightening and detoxifying effect. It rejuvenates and regenerates your skin.

 25 min.  39.-

BASE BATH

Accumulation of acids in the skin and connective tissue cause cells to lose elasticity which results in cellulite, wrinkles and blemishes. It helps to break down acids and cleanse the body.:

 25 min.  34.-

MOUNTAIN SALT PEELING

The perfect preparation for all body treatments. Dead skin cells are removed, cell metabolism and blood circulation stimulated.

 25 min.  34.-

DETOX - BASE FASTING

Habits such as fast, excessive and unhealthy food, lack of exercise and stimulants (sugar, caffeine and alcohol) leave the body over-acidified. This leads to long-term health problems (weakened immune system, allergies, depression...).

Base fasting helps to eliminate polluting acids and toxic substances which supports your body's self regeneration. Unlike classical fasting, base fasting doesn't need medical attention.
